Next meeting – March 13th, 9am at the EMA, 2668 Avery

We had a great meeting and turnout this month especially since the tornadoes hit Memphis two days before. I do want to thank everyone who was able to attend, because I know we all had a busy week last week.

The letter to the Neighborhood Association President’s Kick-Off will go out soon and the Kick-Off will be the first week of March. I will let everyone know the exact date once it is determined.

The letter to the Elected Officials is complete and was signed at the meeting and was sent out. Hopefully one of the Elected Officials will step up and chair our Council.

Last Saturday February 9th was the Neighborhood Conference. The EMA already had a vendor table, so they graciously let Citizen Corps use part of their table. Major McNeil volunteered to go represent Citizen Corps at the Conference.

Lastly, the Sheriff’s Office is doing training in Crittendon, Lauderdale, Fayette, Desoto, Tipton, and of course Shelby. When I receive more information regarding these trainings, I will let everyone know.
